Notes from the Librarian

Good-bye Fifth Graders. I'm going to miss each and every one of you and wish you the best in Middle School.

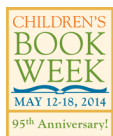

May 29: Students last day of school

May 30: Teachers last day of school

2014 - 2015

Students who signed up to become a NTB team member for next school year have received an expectation letter outlining the requirements along with the reading list for the next school year. Parents, please sign the letter and return it to me before school ends or in August.

During the week of May 12th the library hosted a variety of activities to celebrate books and reading. Check out the [Library Wiki](#) for pictures.

1st-2nd grade viewed a book trailer featuring five illustrators selected by the **Children's & Teen Choice Book Awards**; the only national book awards program where the winning

titles are selected by children and teens.

Kolter's **ILLUSTRATOR** of the Year award goes to: **Oliver Jeffers**, Illustrator for "**The Day the Crayons Quit**".

3rd-5th grade (not all) also got an opportunity to view a book trailer featuring three authors selected by the **Children's & Teen Choice Book Awards**.

Kolter's **AUTHOR** of the year Award goes to: **Rick Riordan** for his book titled, "**The House of Hades**".

All students who voted received a 2014 **I voted for my favorite book!** sticker.

Summer Reading 2014
Reading: All Ages Welcome".

To encourage summer reading and continue to provide opportunities for skill building, the district is partnering with Capstone Publishing to make their myON digital reading platform available to all students free of charge for the summer months. This partnership will give students unlimited access to over 4,000 enhanced digital books that can be read anytime,

anywhere, via the internet or offline through mobile devices.

Your son or daughter is bringing home parent information regarding myON. Students have been given their individual myOn login username and password.

Students can access these books for Kolter's 2014 Summer Reading Program. Kolter's Incentive Chart is attached.

All reading logs and accompanying activities are to be returned in August to the librarian. For additional parent resources, including bilingual guides, visit <http://thefutureinreading.myon.com/hisd>
